Description

The Handlock bathroom knob is a bathroom security accessory that integrates opening handles into its design, allowing access from the inside without the need for a key. Made of high quality matte brass, it combines functionality with a polished golden aesthetic finish that adapts to any modern decoration.

Technical characteristics

- Finished: Brass matt polished gold color
- Rosette measure: 65mm
- Adjustable lace measure: 60/70mm
- Handle length: 100/120mm
- Compatible door thickness: 30/55mm
- Internal mechanism: Security unemployment system
- External mechanism: Condom for privacy
- Metal body: Steel or zamak

This system guarantees the user's absolute privacy inside, while the outer handle allows immediate access in case of emergency or need for entry by authorized third parties.

The installation is simple thanks to the included kit, which ensures a fast and firm assembly on standard-thick doors, facilitating their integration into residential or commercial bathrooms without major works.
