Description

The 85 mm Handlock oval handle knob is a robust locksmith accessory designed for interior and exterior doors, made of steel or zamak with matt black finish that guarantees modern strength and aesthetics.

Technical characteristics

- Outer diameter of the knob: 70mm
- Rosette diameter: 85mm
- Body material: steel or zamak
- Surface finish: matt black
- Includes complete installation kit with screwdriver

Its robust metal construction makes it suitable for intensive use in homes, offices and commercial premises, offering a smooth and safe opening without compromising long-term durability. The discreet matte black aesthetic is perfectly integrated into any contemporary architectural environment.

The installation is simple by means of the supplied kit, which allows the rosette to be firmly attached to the door frame. It only requires basic carpentry tools to complete assembly in minutes, ensuring a precise and stable fit without the need for specialized professionals.
