Description

The Workfit Reflective SoftShell Jacket Size 2XL is a Category II workwear protective garment that combines waterproof and breathable technology to ensure comfort in demanding weather conditions.

Technical Features

- Water resistance: 8,000 mm
- Composition: 94% Polyester, 6% Elastane
- Weight: 310 g/m²
- TPU membrane with thermal micro-fleece interior lining
- Elastic adjustable waist with drawcord type cord
- Side and front pockets with zipper
- Two reflective strips on chest and arms

This jacket offers high resistance to low temperatures and wear, effectively protecting during work in construction sites, warehouses, agriculture, livestock farming, or metallurgy against moderate rain and snow.

Installation is immediate thanks to its ergonomic design; simply fasten the closures and adjust the waist cord to ensure good ventilation and protection from external elements while working.
