Description

The Vatton 44 cm tool carrier case is a professional luggage designed for the safe and organized transport of work utensils. Made with high density Oxford technology, it guarantees extreme durability against adverse conditions in works or workshops.

Technical characteristics

- Dimensions: 44 x 24 x 42 cm
- Materials: Durable Oxford fabric and reinforced handles
- Opening system: Wide mouth with double zipper
- Accessories: Multiple interior and exterior pockets
- Displacement: Trolley extendable handle with wheels
- Protection: Resistant to scratches, tears and wear

This luggage offers a robust solution to keep tools and accessories in perfect condition during the transfer between different locations. Its reinforced structure protects the content against frequent impacts and frictions that often occur in demanding work environments.

The installation is immediate thanks to its extensible trolley handle, which facilitates wheel handling on various floors. The reinforced upper grip allows you to lift the suitcase safely without extra effort, optimizing the operator's mobility during daily tasks.
