Description

The Reflective Workfit SoftShell Jacket Size 3XL is a piece of occupational protection designed with waterproof and breathable technology to guarantee comfort in adverse conditions. Its construction combines thermal resistance and mechanical durability, optimized for demanding environments where visual safety and insulation are priorities.

Technical Features

- Water resistance: 8,000 mm
- Composition: 94% Polyester, 6% Elastane
- Membrane: TPU with inner thermal micro-fleece
- Weight: 310 g/m²
- Reflective tapes on chest and arms
- Side and front pockets with zipper
- Elastic adjustable waist with drawcord
- Occupational protection category II

This jacket offers superior benefits when working in construction, warehouses, agriculture, or metallurgy, providing an effective barrier against moderate rain and snow while maintaining mobility thanks to its elastic fabric.

For installation, simply zip the main closures and adjust the waist using the cord for an ergonomic fit. It is recommended to wash with neutral products to preserve the TPU membrane and reflective properties

without damaging the integrated thermal micro-fleece in the structure.

Specifications

Colour	Yellow
EAN	8425160497712
Material	94% Poliester, 6% Elastano, membrana TPU + Microforro interior térmico.
Weight (kg)	0.822
Size	3XL
