Round LED Ceiling Surface White 300mm 24W CCT

Brand: ALFA

Reference: ALFA 24736

300mm 24W round LED plafon with white ABS and PS surface. Integrated CST selector for 3000K, 4000K or 6500K. High luminous efficiency of 2750 lumens. Direct installation on simplified surface. Color temperature adjustable according to the need of the environment. Compact and functional design for general lighting. Low energy consumption LED technology.

Description

The LED plafon MATEL is a 24W efficient light solution, designed with light-emitting diode technology to deliver superior performance in indoor spaces. Its compact construction and high power make it an optimal choice for general lighting.

Technical characteristics

- Power: 24W
- Luminosity: 2750 lumens
- Color temperature: 3000K, 4000K and 6500K
- Diameter: 300mm
- Material: ABS and PS in white
- Assembly: Surface

This device provides a bright and uniform light, ideal to highlight the aesthetics of any room while ensuring a reduced energy consumption. Its versatility allows the light tone to be adapted to the specific needs of the environment.

The installation is simple and quick, requiring only connecting the wiring to the general switch and attaching the plafon on the corresponding surface without additional technical complications.

Specifications

Opening angle	120º
Energy classification	E
Colour	White
Diameter	300 mm
EAN	8425160247362
Lumens (lm)	2750
Material	ABS
Weight (kg)	0.593
Protection	IP40
Adjustable	Yes
Nominal voltage (V)	180-240
Shape	Round
