Description

The large grey skillet handle replacement is a replacement accessory manufactured with advanced technology in high strength bakelite and silicone. Its main function is to restore the functionality of damaged kitchen utensils, ensuring a firm and safe grip without transferring excessive heat to the user during handling.

Technical characteristics

- Compound material: Bakelite and Silicone
- Compatibility range: Pans of 22 to 32 cm
- Specific compatibility: Wok Suprême 28 cm
- Finished: Grey
- Property: High mechanical and thermal resistance

This restored handle allows you to continue using high-end pans and woks with total safety in professional environments. Its robust construction supports the demands of daily use, maintaining structural integrity under high temperatures and ensuring prolonged durability.

The installation is simple and direct: it adapts to the existing holes of the original utensil without the need for additional tools. It is only necessary to clean the assembly area and ensure that the handle is properly aligned to ensure optimal and stable operation during operation in the kitchen.

Specifications

Colour	Grey
