Description

The WorkFit Reflective SoftShell Pants Size S is a high-tech work garment designed to offer protection and comfort in adverse weather conditions. Its waterproof and breathable fabric ensures safety and well-being during extended outdoor shifts.

Technical Features

- Water resistance: 8,000 mm
- Composition: 94% polyester, 6% elastane
- Weight: 310 g/m²
- TPU membrane with thermal microlining
- Work protection category I
- Two reflective tapes on leg contour
- Side and back pockets with flap and pleat
- Adjustable elastic waist with button and zipper

These pants provide superior thermal insulation against low temperatures and high resistance to mechanical wear. Their functional design optimizes mobility without compromising visual safety in low-light environments.

Installation is immediate thanks to its adjustable elastic waist and quick closures. It is recommended to

wash with mild detergents to preserve the membrane properties and maintain active reflectance throughout the product's lifecycle.
