Description

The 85mm oval handlock handle knob is a metal accessory designed to equip interior and exterior doors, offering an elegant aesthetic with its shiny brass finish. Made of steel or zamak, it guarantees durability and resistance to daily use.

Technical characteristics

- Rosette diameter: 85mm
- Diameter outer knob: 70mm
- Finished: Polished Golden Shiny Brassing
- Materials: Metal body in steel or zamak
- Includes installation kit with complete screwdriver

Its reflective design brings a sophisticated touch to any environment, being perfect for offices, residential homes and commercial premises looking to combine functionality with a premium look without the need for intensive maintenance.

The installation is simple thanks to the included kit; it is enough to mark the holes in the door, drill and fix the mechanism with the provided screws, ensuring a fast and stable placement of the oval handle.
