### Description

The Workfit Reflective SoftShell pants size M is a technical garment designed to offer maximum protection and comfort in demanding work environments. Its waterproof and breathable fabric guarantees resistance against moderate rain and snow, ensuring high durability against continuous wear.

#### Technical Features

- Water resistance: 8,000 mm
- Composition: 94% polyester, 6% elastane
- Weight: 310 g/m<sup>2</sup>
- Work protection category: I
- TPU membrane with internal thermal microfleece
- Two reflective tapes on leg contour and waist
- Side and back pockets with flap and contrast pleat
- Adjustable elastic waist with button and zipper

Its versatility makes it suitable for work in construction sites, warehouses, agriculture, livestock farming, and metallurgy, where visibility and thermoregulation are priorities. The combination of materials provides an optimal balance between lightness and durability for intense shifts.

Installation is immediate thanks to its adjustable elastic waist with button and zipper closure, allowing for a quick and secure personalized fit. Its ergonomic design facilitates movement without restrictions during daily work.
