### Description

The Workfit Reflective SoftShell Pants Size L is a high-end work garment designed to ensure safety and comfort in adverse weather conditions. Its TPU membrane technology combined with inner microfleece offers superior thermal protection, keeping the user dry and warm against moderate rain and snow.

#### Technical Features

- Water resistance: 8,000 mm
- Composition: 94% polyester, 6% elastane
- Weight: 310 g/m<sup>2</sup>
- Labor protection category: I
- Elastic waist with button and zipper
- Side and back pockets with flap
- Reflective design with tapes around the leg contour

These pants provide an effective barrier against moisture and cold, allowing full mobility thanks to their stretchable fabric. Their durability against wear makes them a long-lasting option for demanding environments where visual safety is a priority.

Installation is immediate; simply adjust the waist using the button and zipper closure to ensure a perfect fit. It is recommended to wash with mild products at low temperatures to preserve the integrity of the membrane and reflective properties, ensuring longevity in daily use.
