Description

The Workfit Reflective SoftShell Pants Size 2XL is a high-resistance work garment designed with waterproof and breathable fabric, optimized to ensure thermal comfort in adverse weather conditions.

Technical Features

- Water resistance: 8,000 mm
- Composition: 94% polyester, 6% elastane
- TPU membrane with internal thermal microfleece
- Fabric weight: 310 g/m²
- Work protection category I
- Two reflective tapes around the leg contour
- Side and rear pockets with flap and pleat
- Elastic adjustable waist with button and zipper

Thanks to its TPU membrane and microfleece, it offers high resistance to low temperatures and wear, keeping dry in moderate rain or snow. Its reflective design improves night visibility in risk environments.

The installation is immediate; simply put on over appropriate underwear. The front zipper and pockets with flap facilitate access to tools without compromising the user's thermal safety during extensive shifts in construction, agriculture, or warehouses.

Specifications
