Description

The 70mm Handlock round handle knob is a metal accessory designed to equip interior and exterior doors, offering an elegant aesthetic with its shiny brass finish. Made of steel or zamak, it guarantees durability and resistance to daily use in residential and commercial environments.

Technical characteristics

- Diameter of the knob: 70mm
- Rosette diameter: 70mm
- Body material: Steel or Zamak
- Surface finish: Brightly polished brassing
- Includes installation kit with complete screwdriver

Its robust and reflective design brings a touch of visual sophistication, being perfect for modernizing the entrance of homes or offices without the need for major renovations. The treated surface resists the passage of time maintaining its characteristic brightness before frequent use.

The installation is simple thanks to the included kit; just mark the holes, fix the base and fit the outer knob. This mechanism allows fast and safe mounting on different types of standard locks, adapting to most conventional doors.

Specifications

Colour	Dorado
EAN	8425160499105
