Description

The Workfit Reflective SoftShell Pants Size 3XL are high-tech workwear designed to offer thermal protection and visibility in adverse conditions. Their waterproof and breathable fabric ensures optimal comfort during extended shifts, combining wear resistance with flexibility thanks to their elastic composition.

Technical Features

- Water resistance: 8,000 mm
- Composition: 94% polyester, 6% elastane
- Weight: 310 g/m²
- Occupational protection category: I
- TPU membrane with thermal micro-fleece interior
- Elastic adjustable waist with button and zipper
- Side and back pockets with contrast flap and pleat
- Two reflective tapes around the leg contour
- Color: navy blue and fluorescent yellow

Its high resistance to low temperatures makes it indispensable for outdoor work in winter, while the reflective visibility ensures the operator's safety in low-light environments.

The fit is immediate upon wearing, taking advantage of its adjustable waist and front closure. It is recommended to wash gently to maintain the properties of the TPU membrane and the effectiveness of the reflective tapes over time.
