Description

The 450W Vatton Eccentric Sander is a professional tool designed for quick, accurate and efficient sanding on various surfaces. Its high-strength engine technology ensures long-lasting performance against demanding uses.

Technical characteristics

- Power: 450W
- Variable speed: 6,000 to 12,000 rpm
- Compatible disc size: 125mm and 150mm
- Dust extraction system with collector bag
- Reinforced power cord for longer durability
- Easy-to-access power switch
- Improved ergonomic design for comfortable handling

This sander offers versatility when working on wood, metal and plastic, providing uniform results without fatigue in the operator thanks to its compact balance.

The installation is simple; only the power cable is connected to the power grid and the speed selector is adjusted according to the desired intensity before placing the suitable sanding disc.

Specifications

EAN	8425160500573
Weight (kg)	2.075
Power (W)	450
Adjustable	Yes
Revolutions per minute (RPM)	6000-12000
