Description

The Rings Mid Moon Key Exhibitor Assorted are round fixing accessories designed to organize and present products in showcases, shelves or commercial counters. Made of resistant materials, they guarantee a secure and durable fastening in various retail environments.

Technical characteristics

- Round format
- Pack of 400 units
- Design type crescent
- Plain and uniform finish

Its grip properties allow you to display small items in an orderly manner, facilitating customer access and optimizing the space at points of sale. They are ideal for keeping the presentation clean and professional in any commercial sector.

The installation is simple: place the ring on the desired surface and press until the position is secure. Its handling requires only the hands, without the need for additional tools, which expedites the assembly on counters or shelves.

Specifications

EAN	8425160049485
Material	Goma
Weight (kg)	0.665
