Description

The 20W Redondo White LED App is a high-efficiency outdoor light solution that combines CCT technology to adapt color temperature to any environment. Its robust design ensures optimum performance in public and private spaces exposed to atmospheric conditions.

Technical characteristics

- Power: 20W
- Luminosity: 2000 lumens
- Diameter: 200mm
- Color temperatures: 6500K, 4000K, 3000K
- Material: Resistant polypropylene
- Energy classification: F
- Degree of protection: IP65
- Opening angle: 120° minimum
- On: Instant Electronics

This device offers exceptional versatility for lighting passage areas and decorative areas. The ability to select between cold, neutral or warm light allows to create different atmospheres depending on the time of day or the specific use of space.

The installation is simple on facades, walls or metal structures by means of the included attachment

points. Its degree of protection IP65 ensures reliable operation under direct rain or constant ambient humidity without frequent maintenance.

Specifications

Opening angle	120
Energy classification	F
Colour	White
Diameter embedment (mm)	200
EAN	8425160248987
Format	Redondo
Lumens (lm)	2000
Material	Polypropylene
Weight (kg)	0.426
Power (W)	20
Protection	IP65
Nominal voltage (V)	175-250
Shape	Round
