## Flat LED Projector Matte Black 10W Neutral

Brand: ALFA

Reference: ALFA 25317

The 10W Matel flat LED projector with aluminium housing offers neutral lighting at 4200K for outdoors. Its IP65 design ensures water and dust resistance, while the electronic ignition system provides continuous performance up to 25,000 hours with an energy saving of 90% compared to conventional technologies.

### Description

The Matel flat LED projector is a compact 10W light solution designed for efficient and durable outdoor lighting. Its aluminum technology ensures stable performance under various environmental conditions.

#### Technical characteristics

- Power: 10W
- Material: Aluminium
- Light temperature: 4200K (Neutra)
- Level of protection: IP65
- Performance: Up to 25,000 hours
- Classification: F
- On: Instant Electronics
- Guarantee: Two years

Its high energy efficiency allows saving 90% of consumption compared to traditional technologies, being perfect for lighting facades, porches and roads with balanced neutral light.

The installation is simple thanks to its flat and robust design, suitable for outdoor assembly without frequent maintenance during its long service life.

Specifications

|                       |               |
|-----------------------|---------------|
| High                  | 9.6           |
| Width                 | 9             |
| Opening angle         | 120º          |
| Energy classification | F             |
| Colour                | Black         |
| EAN                   | 8425160253172 |
| Lumens (lm)           | 850           |
| Material              | Aluminio      |
| Measures              | 9.6 x 9 x 2.5 |
| Weight (kg)           | 0.137         |
| Depth                 | 2.5           |
| Protection            | IP65          |
| Nominal voltage (V)   | 230V          |
