Description

The Corkscrew Two Arms Supreme is a high quality utensil designed for the efficient opening of bottles with natural or synthetic cork. Made with zinc alloy technology and chrome finish, it offers a soft and traditional extraction using its integrated lever system.

Technical characteristics

- Body in zinc alloy
- Bright chrome finish
- Lever opening system
- Includes veneer bottle opener
- Suitable for dishwasher

Its ergonomic design facilitates handling in any social or domestic environment, ensuring a comfortable and safe use experience without additional effort. The robustness of the material ensures durability in the face of frequent use in daily celebrations or meals.

The installation does not require special steps; simply use the lever on the cork and press down firmly to remove it. Its water resistance allows its direct cleaning in dishwasher, maintaining the brightness of the chrome in the long term without the need for special treatments.
