Description

This round 20 cm wall clock combines a classic design with modern functionality, using an elegant black finish and white numbers for a clear reading in any environment.

Technical characteristics

- Total diameter: 20 cm
- External finish: Black mate
- Numbers and handles: White colour
- Power source: 1 battery (not included)
- Mechanism: Traditional analog quadrant
- Installation: Wall hanging system

Its minimalist aesthetic makes it a versatile decorative element that brings visual order to interior spaces without saturating the architectural composition. It is recommended to install it in areas with good natural lighting to maximize the readability of time, ensuring that the contrast between the dark background and white indicators is optimal.

It is suitable for kitchens, lounges or offices where a sober hourly indication is required. The installation is simple on any flat surface by means of its standard hanging system.
