Description

The Kuken Plana Toaster is a household appliance specializing in the uniform baking of large slices and various types of bread, operating with a maximum power of 900W. Its flat surface technology ensures direct and constant contact with the food mass to achieve consistent results.

Technical characteristics

- Power: 900W
- Area: Stainless steel plana
- Timer: 7 adjustable levels
- Heating: Two heater tubes
- Finished: Stainless steel with traces
- Tray: Removable Migs Collection
- Body: Cold touch during use

Thanks to its stainless steel grille and the uniform heat distribution, this model offers superior durability while maintaining the structural integrity of the bread in each cycle.

The installation is immediate by connecting it to the standard power grid without the need for additional tools. The user can stop the process at any time by means of the Stop function or adjust the intensity with the timer to obtain the desired golden grade without continuous manual intervention, facilitating its daily use in the kitchen.

Specifications

Colour	Negra/Inox
EAN	8425160345761
Material	Acero inoxidable / PC
Weight (kg)	1.508
Nominal voltage (V)	230V
