Description

The 20 cm Küken round wall clock is a time synchronization device that integrates minimalist aesthetics and precise functionality for indoor spaces.

Technical characteristics

- Total diameter: 20 cm
- Front finish: Matt white
- Numbers and handles: Colour black
- Mechanism: Accuracy quartz
- Power supply: 1 standard battery (not included)
- Suspension system: Wall Pendant

Its clean design and high contrast facilitates the reading of time without distracting visually, bringing an orderly and elegant touch to any domestic or professional environment.

Thanks to its easy installation by means of the supports included on the back, it is possible to fasten it on flat vertical surfaces using adhesive or screws according to preference.
