Description

The Bodeguero Supreme corkscrew is a wine opening tool designed with a shiny chrome finish and a robust body in zinc alloy, optimized for the extraction of natural and synthetic corks through its classic bell system.

Technical characteristics

- Material: Zinc alloy with chrome finish
- Opening system: Spinning bell
- Mechanical: Optimized for effortless extraction
- Adjustment: Accurate to the neck of the bottle
- Resistance: Suitable for dishwasher

Thanks to its ergonomic design and safe fit, it guarantees a complete decorchado turning the bottle clockwise, avoiding splashes and ensuring a fluid experience when serving any type of wine.

The installation does not require complex steps; it is simply placed on the neck of the bottle and firm pressure is applied while rotating. Its water resistance allows easy cleaning in dishwasher, always maintaining its functionality and impeccable appearance for domestic or professional use.
