Description

Küken's Red Black Wall Clock 30 cm is a time measuring device with modern aesthetics and practical functionality, designed to synchronize activities in indoor spaces. Its structure combines visual elegance with accurate reading of time.

Technical characteristics

- Total diameter: 30 cm
- Outer finish: black
- Decorative details: bronze
- Indicator numbers: target
- Needle handles: bronze tone
- Power source: 1 battery (not included)

This watch brings visual precision and elegance to kitchens, lounges, offices and offices. Its contrast between black, white and bronze facilitates rapid reading of time without unnecessary aesthetic distractions.

For installation, hang the clock on a smooth wall using a hook suitable for the desired level. Ensure that the surface supports the weight of the 30 cm frame before attaching the battery to the rear compartment. This mechanism allows its immediate use without the need for additional electrical connection.
