Description

The Vatton screwdriver set is a professional tool designed for precision work and general maintenance, offering a robust and durable finish in demanding environments.

Technical characteristics

- Body made of high strength chrome-vanadium S2 steel.
- Immantated tips for optimal clamping of screw.
- Bimaterial handle with non-slip texture.
- Includes 6 pieces: PL3x75, PL4x100, PL5x100, PL6x100, PH0x75 and PH1x100 mm.

These screwdrivers ensure a firm and efficient grip, minimizing the risk of slips during operation. They are ideal for assembly tasks in electronics, fine carpentry and home repairs that require accuracy.

The installation is immediate when removing the protection; simply select the appropriate tip according to the head of the screw and run the rotation firmly on the working surface.

Specifications

High	3
Width	75
EAN	8425160508883

Material	Steel
Measures	3 x 75
Weight (kg)	0.368
