Description

The 10-piece Vatton screwdriver set is a professional tool designed for precision work in mechanics, electricity and DIY. Made with robust technology, it offers extreme durability and a secure grip thanks to its solid construction.

Technical characteristics

- Body in high strength chrome-vanadium S2 steel
- Magnetated tips for retaining small screws
- Ergonomic non-slip bimaterial handle
- Plane and Phillips combined format
- Tip lengths from 38 to 200 mm
- Tip sizes: PL0, PL1, PL2, PL3, PL5, PL6 and PH0, PH1, PH2
- Includes organizer case for safe storage

These screwdrivers guarantee efficiency in tightening and untying screws of various calibres. Its magnetized tip facilitates the handling of small parts without risk of falling, while the non-slip handle reduces fatigue during prolonged working sessions.

The installation is immediate; simply remove the tools from the case and use them directly in your application. It does not require special maintenance or additional accessories to operate properly in industrial or domestic environments.
