Description

The Mouse WorGrip Pro Sander is a compact 20V Brushless tool designed to deliver superior performance in finishing, polishing and surface preparation jobs with high precision and energy efficiency.

Technical characteristics

- High durability brushless motor
- Built-in lithium 2,0Ah battery
- Variable speed range 6,000 to 12,000 rpm
- Sanding base 140×140×100mm
- Dust extraction system with collector bag
- 230V charger included

This sander allows to work wood, metal and plastic with ease thanks to its adjustable power and wide base that guarantees uniform results in each application. The ergonomic mouse design facilitates access to complex areas where other tools do not arrive.

The operation is easy by means of the accessible ignition switch and the speed selector to adapt performance to each material. The bag collects dust facilitates continuous cleaning of the working environment without the need for complex external accessories, keeping the area free of waste during

prolonged operation.

Specifications

High	14
Width	14
Diameter	125
EAN	8425160509972
Measures	14 x 14 x 10
Weight (kg)	1.544
Depth	10
Adjustable	Yes
Revolutions per minute (RPM)	6000-12000
