Description

The 200 mm Vatton wrench is a professional tool designed in chrome-vanadium steel, optimized for tightening and loosening nuts and screws in mechanical and industrial maintenance environments.

Technical characteristics

- Material: Chromium-vanadium steel
- Length: 200 mm (8 inches)
- Maximum opening: 24 mm
- Finished: Chrome corrosion resistant
- Mango: Non-slip bimaterial with hanging hole
- Mouth: Millimeter for precision

Its robustness and surface finish guarantee lasting performance even under demanding conditions of continuous use, offering an advantage in repair tasks where reliability is a priority.

For installation or handling, it is recommended to firmly fasten the tool against the part to work to avoid accidental slips during the application of torsional force.

Specifications

Colour	Cromo
--------	-------

EAN	8425160510442
Material	Steel
Measures	Acero de cromo-vanadio
Weight (kg)	0.305
