Description

Kuken Digital Display Wireless Headphones offer an immersive sound experience thanks to their ANC technology for active ambient noise reduction and stable Bluetooth v5.0 connection.

Technical characteristics

- Power battery headset: 30mAh / 3.7V each
- Battery power case: 300mAh / 3.7V
- Autonomy reproduction: up to 3 hours
- Approximate charging time: 2 hours
- Wireless range: up to 10 meters
- Connection: Bluetooth v5.0
- Reload: USB Type C port
- Controls: Táctiles for music and calls
- Microphone: Integrated for hands-free
- Compatibility: iOS and Android

These headphones allow you to manage audio playback and seamless communications, maintaining a fluid connection to modern mobile devices. The display integrated in the case facilitates monitoring of the load status.

The installation is immediate when you turn on the device and activate the pairing mode. It is recommended to load the case using USB Type C before first use to ensure maximum range from the

start.

Specifications
