Description

The Work Jacket SoftShell Winter Series Size L is a Category I protective garment designed to offer maximum thermal resistance in demanding winter conditions. Its three-layer technology guarantees a perfect balance between waterproofness, breathability, and comfort during long days outdoors.

Technical Features

- Fabric weight: 310 g/m²
- Water resistance: 8,000 mm
- Outer composition: 94% polyester and 6% elastane
- Inner membrane: TPU
- Work protection category: I
- Cuffs with adjustable Velcro closures
- Side and front pockets with waterproof zippers
- Elastic waist adjustable via drawcord

This jacket provides an effective barrier against moderate rain, snow, and strong wind, keeping the user dry and warm. Its high abrasion resistance ensures superior durability in tough work environments.

Installation is immediate; simply fasten the main zippers and adjust the cuffs and waist for a personalized fit that enhances mobility without sacrificing the thermal protection offered by the specialized material.

Specifications

Colour	Grey
EAN	8425160521349
Material	94% Poliéster / 6% Elastano
Weight (kg)	0.755
Size	L
