Description

The 18W CCT Extraplane Mate Square LED Application is a contemporary design luminaire that integrates efficient technology to transform spaces with high quality light and superior performance.

Technical characteristics

- Nominal power: 18W
- Luminous flux: 1800lm
- Body height: 60mm
- High Quality Opal Diffuser
- CCT color temperature selector (cold, neutral, warm)
- Energy classification F
- Estimated useful life: up to 25,000 hours
- Energy savings from traditional luminaires: up to 90%

Thanks to its opal diffuser, it generates a homogeneous light and free of glares, creating comfortable and functional environments in modern interiors.

It is used effectively to illuminate general rooms in homes, offices and commercial premises where a balance between aesthetics and light efficiency is required.

The installation is simple by means of standard electrical connection. It requires surface mounting on flat walls or ceilings, ensuring stability of the support before attaching the final device.
