Description

The Onlex Black Aluminium Embedded Frame with two horizontal elements is a system designed for aesthetic and functional integration into electrical or telecommunications installations. Its metal sheet technology ensures robustness and durability in demanding environments.

Technical characteristics

- Material: Aluminium
- Finished: Black
- Configuration: 2 horizontal elements
- Series: Embedded

This frame offers an elegant finish that adapts perfectly to modern designs, providing a versatile solution for organizing components inside boxes or panels. Its structure simplifies wiring and improves accessibility to internal devices.

The installation is quick and simple, allowing the system to be fixed directly on the wall or on an existing support without additional technical complications. It only requires basic tools for correct mounting.

Specifications

Colour	Black
EAN	8425160258023
Material	Aluminio
# Elements	2 elementos
Weight (kg)	0.1127
Type of installation	Flush-mounted
