Description

The 300mm LED round surface Matel integrates efficient technology and Nordic design for residential and commercial spaces that seek modern functionality and aesthetics.

Technical characteristics

- Power: 24W
- Luminosity: 2750 lumens
- Size: 300mm diameter
- Materials: Housing in ABS and Nordic color PS
- Color temperature: 3000K, 4000K or 6500K (adjustable)
- Type of installation: Area

This device guarantees a well-lit environment without consuming excessive electrical energy, contributing to the energy efficiency of the building through its high light performance.

Its versatility allows to adapt to various technical environments, offering efficient and adaptable lighting that improves the visual quality in any assembly area.

The installation is simple and fast, requiring only the standard electrical connections at the chosen mounting point on the ceiling or upper wall without additional complications.

Specifications

Opening angle	120º
Energy classification	E
Colour	Nordic
EAN	8425160260965
Long	300mm
Lumens (lm)	2750
Material	ABS
Weight (kg)	0.596
Depth	300mm
Protection	IP40
Adjustable	Yes
Nominal voltage (V)	180-240V
Type of installation	Surface
Shape	Round
