Description

This Nordic wall clock combines elegance and functionality with its circular design of 30 cm in white and wood finish. Its minimalist aesthetic makes it a versatile piece for various modern environments.

Technical characteristics

- Total diameter: 30 cm
- Front finish: White and Nordic wood
- Numbers and handles: Colour black
- Power source: 1 battery (not included)
- Mechanism: Analogue quadrant

Its visual presence brings warmth to modern spaces without saturating the decoration. The combination of natural and neutral materials facilitates its integration into any contemporary interior style, being ideal for kitchens, lounges or offices.

For installation, locate a safe spot on the wall with enough space around the diameter. Use the included supports to secure it firmly, ensuring that the weight is properly distributed over the chosen vertical surface.
