### Description

The Supreme Chromado Cascator is a professional high-precision utensil designed to break nuts with efficiency and safety in cooking or food industry. Made with zinc alloy technology, it guarantees durability and resistance to daily use.

#### Technical characteristics

- Total length: 17.5 cm
- Body: Chromium zinc alloy
- Mango: Ergonomic for comfortable grip
- Material: BPA Free
- Conformity Suitable for food

Its optimized mechanical design allows nuts, hazelnuts and almonds to be cracked without damaging the interior, facilitating the rapid extraction of the fruit. The chromed surface offers a brilliant aesthetic finish that is maintained over time, ideal for demanding environments.

The installation does not require tools; simply hold the handle and apply controlled pressure on the dry fruit. Its operation is immediate and safe for right or left hands, adapting to any rate of work in the preparation of food without the need for prior adjustments.
