Description

The Plastic Toaster 4 Parts is a compact household appliance designed to efficiently prepare spread breads, using a maximum power of 1400W that ensures rapid and uniform heating. Its extra long double-slot technology allows you to accommodate slices of various thicknesses without problems.

Technical characteristics

- Power: 1400W
- Slots: Extra long stainless steel double slot
- Regulation: 7 levels of adjustable roasting
- Controls: Folding lever (March/Stop) and buttons (Reheat, Cancel, Unfreeze)
- Lower tray: Extractible for crumbs
- Finished: Matt black plastic with cold touch

This equipment offers superior performance when roasting large, thin or thick slices, maintaining the original texture of the bread thanks to its integrated defrosting and reheating system.

For installation, place the device on a flat and stable surface away from direct heat sources. Connect the cable to the wall socket and use the lever to start the cycle or buttons for specific functions depending on the user's need.

Specifications

High	35
Width	14.2
Colour	Matt black
EAN	8425160360610
Material	Plástico
Measures	35 x 14.2 x 17.2
Weight (kg)	1.512
Power (W)	1400
Depth	17.2
Nominal voltage (V)	230V
