Description

The Vatton Precision Screwdriver is a professional six-piece set designed for maintenance and repair tasks that require accuracy and durability, manufactured with state-of-the-art technology in resistant alloys.

Technical characteristics

- Main body in high strength chrome-vanadium steel.
- Immantated tips for a secure fastening of the screw.
- Bimaterial handle with non-slip texture.
- Tip sizes: PL2x50mm, PL2,5x50mm, PH00x50mm, PHx50mm, T8x50mm and T10x50mm.

This kit offers versatility to work in electronics, furniture and light machinery, ensuring precision in each turn without damaging delicate components thanks to the quality of its tempered tips.

The installation is immediate; simply select the right tool from the case and apply firm pressure to the screw, taking advantage of the ergonomic grip of the handle to reduce fatigue during prolonged working sessions.
