Description

The SoftShell Winter Series Jacket Size XL is a high-end work garment designed to provide protection and comfort in adverse weather conditions. Its three-layer technology ensures superior performance against the elements, combining waterproofing with breathability to keep the user dry and fresh during extended shifts.

Technical Features

- Fabric weight: 310 g/m²
- Water resistance: 8,000 mm
- Outer composition: 94% polyester and 6% elastane
- Intermediate membrane: TPU
- Work protection category: I
- Side and front pockets with waterproof zippers
- Cuffs with adjustable Velcro closures
- Elastic waist adjustable via drawcord

This jacket stands out for its high resistance to wear and weather, making it a reliable option for demanding environments. Its ergonomic design allows free movement without sacrificing necessary thermal protection in cold seasons.

Installation is immediate upon opening the package; simply adjust the Velcro cuffs and tighten the waist cord to ensure good ventilation and personalized fit. No special maintenance is required other than

periodic washing according to manufacturer instructions.

Specifications

Colour	Grey
