Description

The Fast Squeeze Sergeant Vatton 70x300mm is a professional tool designed to ensure a firm and secure grip on various carpentry tasks. It has a high quality galvanized spindle and a reinforced handle that allows optimal grip during intensive use.

Technical characteristics

- High oxide resistance galvanized spindle
- Body made of reinforced anti-distortion steel
- Dimensions: 70mm wide by 300mm long
- Plastic pads to protect wood surfaces
- Handle rotation system for higher gripping power

This tool offers a great gripping power, preventing materials from moving during cutting or fixing. Its robustness makes it indispensable in working environments where precision and stability are priority.

To install it, simply place the sergeant over the piece of wood ensuring that the pads are well-placed to avoid scratches. Tighten the handle by turning it to achieve the desired tension before starting any cutting or assembly operation.

Specifications

High	7
Width	30
EAN	8425160532031
Long	300 mm
Material	Steel
Measures	7 x 30
Weight (kg)	0.1008
