Description

The 3-piece Vatton Combined Tool Set is a compact set designed to facilitate maintenance and light repairs at home, integrating precision technology to deliver reliable performance in daily DIY projects.

Technical characteristics

- Material: Vanadium chromium
- Flat screwdriver: 5x100mm
- Phillips screwdriver: 1x100mm
- Universal alloy: 160mm

These combined tools allow quick adjustments to household appliances, furniture and basic electrical systems without the need for specialized equipment. Its robust construction guarantees durability in the face of frequent use in domestic environments or small workshops.

Installation is immediate; simply select the right tool according to the task and apply the necessary force safely. Ergonomic design improves grip and reduces fatigue during prolonged handling, facilitating efficient and comfortable work.
