Description

The WorkFit SoftShell Jacket Winter Series Size 2XL is a labor protection garment designed with three-layer technology to offer an optimal balance between waterproofness and breathability in adverse weather conditions.

Technical Features

- Fabric weight: 310 g/m²
- Water resistance: 8.000 mm
- Outer composition: 94% polyester and 6% elastane
- Intermediate membrane: TPU
- Labor protection category: I
- Cuffs with adjustable velcro closures
- Side and front pockets with waterproof zippers
- Elastic waist with drawcord cord

This jacket guarantees high resistance to the elements and wear, keeping the user dry during moderate rain or snow while allowing water vapor evacuation to prevent body moisture accumulation. Its robust construction ensures durability in demanding environments.

It is recommended to install the waist cord by adjusting it according to torso morphology to ensure correct ventilation and protection against side winds during intense physical activity, thus optimizing

thermal performance.

Specifications

Colour	Grey
EAN	8425160546359
Material	94% Poliéster / 6% Elastano
Weight (kg)	0.836
