Description

The SoftShell Winter Series Jacket Size 3XL is a category I protective work garment designed for demanding winter conditions. Its three-layer fabric combines waterproofing with high breathability, achieving a weight of 310 g/m² and water resistance of 8,000 mm against moderate rain or snow.

Technical Features

- Fabric weight: 310 g/m²
- Water resistance: 8,000 mm
- Outer composition: 94% polyester and 6% elastane
- Intermediate membrane: TPU
- Work protection category: I
- Cuff closure: Adjustable Velcro
- Pockets: Side and front with waterproof zipper
- Waist: Elastic with drawcord type cord

This jacket offers high resistance to wear and weather, being fundamental for work in construction sites, warehouses, agriculture, livestock farming, or metallurgy where extreme durability is required.

Installation is immediate thanks to its ergonomic design. It is recommended to adjust the cuffs with Velcro and tighten the waist cord to ensure better ventilation and protection against wind while working outdoors.

Specifications

Colour	Grey
EAN	8425160547684
