Description

The Workfit Stretch Softshell Winter Pants Size M is a high-end workwear garment designed to provide thermal protection and durability in demanding winter conditions. Its three-layer technology ensures a perfect balance between waterproofing, breathability, and elastic comfort during long shifts.

Technical Features

- Fabric weight: 280 g/m²
- Water resistance: 8,000 mm
- Outer composition: 94% polyester and 6% elastane
- Intermediate membrane: TPU
- Workwear protection category: I
- Extra-reinforced knee pads
- Side and back pockets with waterproof zippers
- Adjustable elastic waistband

This pant provides an effective barrier against moderate rain and snow, keeping the user dry and warm thanks to its TPU membrane. Its high abrasion resistance makes it suitable for environments where constant mobility is required without sacrificing durability.

Installation is immediate upon wearing, taking advantage of the elastic waist that adapts to different body morphologies. It is recommended to pair it with safety footwear and thermal underwear to maximize insulation in cold climates.

Specifications

Colour	Grey
EAN	8425160555092
Material	94% Poliéster / 6% Elastano
Weight (kg)	0.601
