Description

The Polar Workfit Winter Series jacket is a high-performance work garment designed to ensure maximum comfort in cold environments. Its advanced textile technology offers superior protection against the elements and continuous wear, ensuring durability under demanding conditions.

Technical Features

- Composition: 100% Polyester
- Fabric weight: 280 g/m²
- Front closure with hidden zipper
- Sleeves with elastic cuffs
- Spacious pockets with zipper closures
- Adjustable waist via drawcord
- Black design with orange details

This garment provides efficient thermal insulation, keeping the worker dry and warm during extended shifts. Its robust construction makes it suitable for withstanding impacts and frequent friction without losing its functional properties.

Installation is immediate thanks to its ergonomic design that facilitates free arm and torso movement. It only requires adjusting the waist cord to fit the user's morphology perfectly, optimizing body heat retention in cold climates.

Specifications

Colour	Black
EAN	8425160568078
Material	100% Poliéster
Weight (kg)	0.555
