Description

The WorkFit Stretch Flex pants size S is a professional garment designed to offer maximum mobility and durability in demanding work environments. Its lightweight fabric technology ensures a comfortable fit without compromising structural resistance, adapting perfectly to the needs of the active worker.

Technical Features

- Fabric weight: 190 g/m²
- Composition: 97% cotton / 3% elastane
- Regular cut with elastic waist and velcro closure
- Side pockets with zipper and velcro
- Large capacity back pockets
- Triple stitching to reinforce tension points
- Soft touch with high abrasion and wear resistance

Its robust construction makes it suitable for heavy-duty tasks in warehouses, agriculture, metallurgy and outdoor activities such as trekking or hiking, where both comfort and protection from the environment are required.

Installation is immediate thanks to its ready-to-use design; simply adjust the elastic waist according to size and enjoy a high comfort sensation from the first moment, ideal for long and demanding workdays.
