Description

The WorkFit Stretch Flex Size M pants are a professional garment designed to offer maximum mobility and durability in demanding work environments. Its elastic fabric technology ensures a comfortable fit without compromising structural resistance, adapting perfectly to the user's needs during long shifts.

Technical Features

- Fabric weight: 190 g/m²
- Composition: 97% cotton / 3% elastane
- Regular fit with elastic waist
- Velcro closure system
- Multi-pocket side pockets with zipper and velcro
- Large capacity back pockets
- Triple stitching to reinforce critical areas
- Soft touch and high abrasion resistance

Its versatility makes it a privileged option for tasks requiring physical agility and constant protection. The balance between lightness and robustness allows for wide movements without restrictions, maintaining material integrity against daily wear.

Installation is immediate thanks to its ergonomic and easy-to-wear design. It only requires adjusting the elastic waist with the velcro closure to ensure an optimal position during work, guaranteeing comfort from the first moment.
