Description

The WorkFit Stretch Flex Pants Size L is a professional garment designed to offer maximum mobility and durability in demanding work environments. Its lightweight fabric technology with high elasticity ensures a comfortable fit without sacrificing the necessary strength for daily work.

Technical Features

- Fabric weight: 190 g/m²
- Composition: 97% cotton and 3% elastane
- Regular fit with elastic waistband
- Velcro closure at the waist
- Multiple side pockets with zipper and velcro
- Large capacity back pockets
- Double reinforced stitching for greater durability

This pants provides significant benefits in tasks requiring constant flexibility, such as repetitive movement or tool use. Its resistant fabric protects against scratches and wear, while the elasticity allows for a full range of motion, ideal for warehouses or agriculture.

Installation is simple: simply adjust the elastic waistband with the velcro closure according to your preferred measurement. No complex operations or additional accessories are required for immediate

use in any work environment.
