Description

The WorkFit Stretch Flex Long Pants Size XL is a technical garment designed to offer maximum mobility and durability in demanding work environments. Its lightweight, highly elastic fabric ensures a comfortable fit without restricting movement, while its robust construction protects against daily wear and tear.

Technical Features

- Fabric weight: 190 g/m²
- Composition: 97% cotton / 3% elastane
- Fit: Regular
- Side pockets with zipper and velcro closures
- Large capacity back pockets
- Triple stitching for greater durability
- Elastic waist with velcro closure

Thanks to its soft touch and high abrasion resistance, these pants provide superior comfort during long shifts. They are especially useful in sectors requiring both flexibility and physical protection against impacts and constant friction.

Installation or handling is immediate: simply adjust the elastic waist according to your size and secure it with the velcro. No tools or additional steps are required, ready to use from the first moment.
