Description

The 30W Redondo White LED App is an outdoor light solution designed with CCT temperature change technology to suit any environment. Its robust construction ensures lasting performance in public and private spaces.

Technical characteristics

- Power: 30W
- Luminosity: 3000 lumens
- Diameter: 300mm
- Material: Resistant polypropylene
- CCT temperatures: 6500K, 4000K, 3000K
- Protection: IP65
- Opening angle: 120o
- Energy classification: F

This device offers versatile and efficient lighting, perfect for highlighting the aesthetics of external areas without sacrificing the light quality. Its compact design is easily integrated into any modern architecture.

The installation is simple and quick, requiring only standard electrical connection at predefined points. Its instant electronic ignition allows immediate control of the light from the main switch.

Specifications

Opening angle	120
Energy classification	F
Colour	White
Diameter	300 mm
Diameter embedment (mm)	300
EAN	8425160262983
Lumens (lm)	3000
Material	Polypropylene
Weight (kg)	0.833
Protection	IP65
Nominal voltage (V)	175-250
Shape	Round
