

Product sheet

**Braided USB C Lightning Micro
USB Charging Cable 1.2m**

Brand: ALFA

Reference: ALFA 26824

Universal charger cable compatible with iOS and Android, 3A maximum current for simultaneous quick charging of three devices. Covered in braided nylon fiber that guarantees resistance to twist and abrasion during intensive use. Length of 1.2 meters allows flexibility and compact transport without losing structural durability in frequent connections.

[View product online](#)**Description**

This 1.2 meter universal charger cable integrates USB, Lightning and Micro USB connectors for full compatibility with iOS and Android devices. Its multifunction design allows you to manage the power of multiple computers from a single source, optimizing space in shared travel or offices.

Technical characteristics

- Maximum output current: 3A
- Cable length: 1.2 meters
- Outer lining: braided nylon fiber
- Connectors included: USB, Lightning, Micro USB
- Compatibility: iOS and Android
- Properties: anti-torsion and anti-abrasion

High current density ensures fast and efficient charging for multiple devices simultaneously, reducing waiting times without compromising equipment safety. Its robust construction resists daily wear and tear in demanding environments.

For installation, simply connect the USB end to a standard power port or to a dedicated charger. The cable is compact and easy to transport, ideal for household, work or travel where immediate energy flexibility is required.

Specifications

Rated current (A)	3
Colour	Grey
EAN	8425160268244
Long	1,2 metros
Length	2 metros
Material	Nylon trenzado
Weight (kg)	0.0512
